MADE IN GERMANY

Built-in food slicer AES 72 SR

Modern and fuctional kitchen technology.

for installation in standard drawers with a cabinet width of at least 45 cm

prerequisite: clear width drawer > 344 mm
Distance bottom of drawer to top of worktop min. 116 mm, max. 161 mm

The built-in food slicer AES 72 SR made of full metal provides for more stability and top slicing results. The electropolished serrated circular blade slices even more precisely. The two-finger switch-on system increases safety.
Thanks to the bayonet quick-acting lock the circular blade may be taken off without tools for cleaning.
