Electrical food slicer markant[05]
- with vario electronic – foldable
This foldable slicer made of easy-care plastic offers simple and safe operation and reliable functions.

When opened, it stands skid-proof on the counter top. The patented, divisible carriage makes sure that the food slicer is always complete, even when folded.

The vario electronics allows the rpm to adapt to the specific food. The appliance also has a switch for intermittent and continuous operation as well as cable compartment.

When folded, the width of this slicer is only 10.5 cm.

A smooth ham- and sausage circular blade is available for every ritter food slicer.
