- silver metallic
- serrated circular blade, 17 cm Ø
- circular blade cover
- slice thickness adjustable up to approx. 23 mm
- safety switch for intermittent and continuous operation
- vario electronic rpm adjustment
- easy-going carriage with metal plating broad-surfaced and detachable
- carriage way approx. 24 cm
- bamboo board
- cable compartment
- warranty: 2 years*, product made in Germany

Technical features

- DC motor
- 230 V, 130 Watt, duty cycle 10 minutes
- protection class 1, CE
- dimensions: width 29.0 cm height 24.5 cm depth 37.0 cm
- weight : 5 kg incl. bamboo board

Electrical food slicer serano⁸

The appliance is equipped with a 17 cm serrated circular blade with a full cover, which is powered quietly by a 130 watt DC motor. The duty cycle is duplicated up to 10 minutes compared to an AC motor.

The continuous and intermittent switch ensures a high level of safety and the easy-gliding carriage that allows slicing without much effort ensures great convenience. 'Perfect slicing' is supported by the vario electronic rpm adjustment.

Another highlight is the bamboo board, which collects the food slices and, at the same time, serves as a cutting board. It doesn't discolor or absorb unpleasant odors.

A smooth ham- and sausage circular blade is available for every ritter food slicer.
