- serrated circular blade, 17 cm Ø
- slice thickness adjustable up to approx. 20 mm
- safety switch for intermittent and continuous operation
- detachable carriage
- carriage way approx. 18 cm
- food tray
- cable compartment
- warranty: 2 years*, product made in Germany

Technical features

- 230 V, 65 Watt eco-motor, duty cycle 5 minutes
- VDE/GS, safety category 2, CE
- dimensions: width 22.5 cm height 23.0 cm depth 33.5 cm
- weight: 3.0 kg

Electrical food slicer arcus³

A slicer with all the advantages of the inclined and solid metal construction. Compact and handy, this small machine can easily tackle all kind of slicing jobs.

Food slicer arcus³ is driven by a 65 W eco motor, at 20 % reduced power consumption but 50 % increased engine efficiency compared to the previous model.

The inclined housing is advantageous when cutting thin and large slices.

The food slicer is equipped with a special serrated circular blade, a switch for intermittent and continuous operation, a food tray and cable compartment.

A smooth ham- and sausage circular blade is available for every ritter food slicer.

Technical data are subject to change

*The 2-year manufacturer's warranty applies to all devices sold within the European Union. Your legal warranty claims according to § 437 ff. BGB (German Civil Code) remain unaffected by this regulation. You can view the warranty conditions at <https://www.ritterwerk.de/warranty>.

About ritterwerk:

ritterwerk was founded in 1905 by Franz Ritter. Since then the medium-sized company develops and produces household appliances which facilitate the everyday work in the kitchen.

The medium-sized company, headed by Michael Schüller, develops, designs and produces exclusively in Gröbenzell near Munich.

The company's philosophy 'made in Germany' not only stands for its production site in Germany. It also incorporates high quality standards, sustainability, appropriate materials as well as functional design, thus clearly following the 'Bauhaus' principles of the twenties.
